

# Florida January 2009 Reunion

By Dick Evans

While most of you were enjoying snow and some cold weather, a few of us had a mini-reunion in Florida. It was sunny and about 80 degrees. It was a great time. We ate together for a couple of hours, some of us went to the hotel the Evans and Tuckers were staying at and chatted for a couple of more hours. We left to head back home after breakfast on Sunday morning.

It was very interesting to hear the stories of how each classmate's life journey took them from Cranston High School to where they have ended up. Everyone had a great story to tell. We all had a great time and promised each other to do this again soon.

A handout given to each was modified to show current pictures, the answers to the "history text", and the results of a survey given about the 50th. It can be accessed on the Web site at [www.chse61.com](http://www.chse61.com) -- take the link in the middle of the page about the Florida Reunion to open the PDF. See if you can figure out who is who...
